OXFORD BAR ASSN. PRESIDENT TO SEEK NOMINATION FOR JUDGE OF PROBATE

Attorney Richard E. Whiting, Republican of Rumford, has announced his candidacy for the office of Judge of Probate in Oxford County.

Attorney Whiting has practiced law in Rumford for 14 years; he is currently serving as President of the Oxford County Bar Association.

He is a native of Auburn, Maine and was educated at Edward Little High School in Auburn; Cushing Academy, Ashburnham, Mass.; and is a 1954 graduate of Colby College; he received his law degree at Boston University School of Law.

This area contains many well known locations that thousands of people visit each year in the hopes of picking up a nice specimen that will add to their collections. Mineral collectors from at least 30 different states and one from as far away as Geneva, Switzerland, visited parts of this area within the past three years. Such localities as: Hurricane Mt., Perry Peaks, Green's Ledges, Bald Face, Passaconaway, Deer Hill, Little Deer Hill, Harwood Mt. and Lord Hill to name a few of the known places; that are rich in: smoky quartz, phenacite, beryl, topaz crystals, and many more have added their little bit of enjoyment to the collector; or perhaps their bit of sorrow for not having found as good a specimen as they have been shown in a collection.

This is a brief background of how some feel about this area, and the feeling that their privilege of collecting is now in jeopardy. Come see and hear what must be done to preserve this privilege, and perhaps what collectors can do to help the Ranger Service.

A supper to benefit the Little League Baseball Teams will be held at the Legion Hall, April 10. For further information contact Mrs. Virginia Brown.

GEM AND MINERAL ASSN. TO MEET AT RUMFORD APRIL 12

The Oxford County Gem and Mineral Association will meet at 7:30 p.m., Wednesday, April 12 in the Public Room of the Rumford Library and have as guest speakers, Hoyt G. Hall, assistant Chief Forester of White Mt. National Forest, and John Anderson, District Ranger, Bethel. They will speak on the new revised policy for Mineral Collecting within the White Mt. National Forest and reasons for revision.

Comments from the Office of the Town Manager

Three of the municipal officials, Samuel Timberlake, Robert Davis, and myself, were in Orono Wednesday to attend a seminar on various rate structures that may be applied for sewage use. We felt we would not have as much problem in this area as some communities as we have no industrial waste entering our system. Where this is an industry, the rates should be based, not completely on volume, but the concentration of pollution must also be considered.

We are now working on specifications for the new loader. We have the basic machine planned, now we are considering features of the various models that might be desirable but with which we have not had experience.

There have not been any applications signed for land classification through the farmland and open space exemption law. No one felt there was enough need, at this time, for them to involve themselves to the extent necessary to qualify.

Mr. and Mrs. Richard Turner with their son, Michael, and daughter, Deborah, have gone to New Mexico to visit Richard's brother Arlen, who has resided there for years.

Mrs. Marjorie Littlehale has been in the Colebrook hospital for treatment lately.

My grandson, Frederick Abbott with Linda and Loretta, visited me Saturday and also his uncle, Malcolm and Mark. He had his camper truck and they expect to go to Maine this coming week end. His

younger brother Randall is reenlisting in the Air Force and expects to stay at the Loring Air Force Base at Limestone or be transferred to Portsmouth, N. H.

Mr. and Mrs. Claude Linnell Sr. expect to leave Florida soon to return to their house in Colebrook. Their son, Claude Jr., flew to Florida last spring and drove his father's car home with them.

Merle Gray is not very well and Leonard Jordan is still bringing the mail.

Mrs. Kathy Arsenault and small daughter, Karen, are moving into an apartment in Berlin, soon.

Mr. and Mrs. James Barnett of Errol are leaving on April 8 for a vacation in Florida. Their general store will be closed and Mrs. Margaret Hawkins will tend the post office in their absence.

Mrs. Hazel Harvey's health seems a little better lately.

An error was made in my last week's news items. It was Mr. and Mrs. Glen White instead of Mr. and Mrs. Glen Abbott who spent an evening recently with Mr. and Mrs. Carl Littlehale. The Glen Abbott family moved away from Wilson's M's a number of years ago.

About four inches of snow fell Sunday night and Monday morning and the weather has turned cold again.

My two skunks are very hungry and do not seem to have grown any during hibernation.

## HOW DOES A&P FEEL ABOUT CONSUMER PROTECTION?

Concerned... very concerned!  
If we weren't, we would not have an unconditional money-back satisfaction guarantee on every product we sell... no matter who makes it.  
If we weren't, we would not have established, decades ago, our "Quality Control Laboratory."  
How does the laboratory protect you?  
Well, at A&P, we're pretty fussy about the products we sell.  
So, before we will stock a product, we check it out pretty carefully.  
Our lab has checked thousands of products.  
If they don't think the product measures up, you'll never find it on an A&P shelf.  
No matter who the maker is, or who is behind the product.  
It's not always easy to care, but A&P doesn't care to be easy.  
A&P does care about you.

## ISRAELSON MOTOR CO., INC.

Philip M. Schwind — Owner

In this day and age when every car maker has such a wide selection of models to choose from, it is really difficult for you to decide where to go for a new car. All the companies advertise that their cars are the best, but who is to say which car really is. Obviously all the cars on the market today must have their good points or they wouldn't have survived the ups and downs of the business. We, therefore, can con-

clude that the real difference in buying a car is the dealer you buy it from.

The ideal dealer to buy a car from offers a fair price on the new unit, as well as an honest dollar for the car you trade in. However, the most important factor is the service that you receive on your new car year after year.

The writers of the 1972 Review would like to point out a dealer

that considers the most important part of selling a car the quality service he can offer you after the sale. We are talking about the Israelson Motor Co., Inc. on Spruce Street in Rumford, phone 364-4411. Dealers for the famous Chevrolet and Oldsmobile automobiles.

On the other hand, you may be interested in a new or quality used car, and you'll see why we say them today for a new or quality used car, and you'll see why we say them today for a new or quality used car, and you'll see why we say them today for a new or quality used car.

"Customer Consideration" is their motto.
